

## MS7WP10L-SS

### Explosion Proof Water Pump Kit

#### Business Opportunities

MS7WP10L-SS is an explosion-proof water pump kit, optional accessories for explosion-proof PTZ camera products. It consists of cabinet, pump, kettle and other accessories. User can control this water pump to spray water with the spray nozzle installed on explosion proof PTZ camera and clean the camera lens through software or commands. After our reduplicated tests, this product is tough enough to withstand most severe environment challenge. Especially in dust environment.

#### Product Advantages

The Explosion-Proof pump is used for hazardous Zone1 and Zone2 which contains class II A、 II B and II C volatile gas, as well as other hazardous location, like Zone21 and Zone22. For those cameras which are equipped with wiper, it can spray water to the window glass for cleaning.

YEWJ400-10L is made of 304/316L stainless steel, and its protection level is IP68.

#### Features

- Explosion proof mark: Ex d IIC T6 Gb/Ex tD A21 IP68 T80°C
- 304/316L Stainless Steel
- Power Supply: DC24V
- 10 meters water pump lift head
- Working temperature: -20° C~60° C
- IP68 ingress protection

### Explosion Proof Water Pump Kit

#### Technical Specifications

Cabinet	
Material	304/316L Stainless Steel
Thickness	1.2mm
Dimensions( L x W x H mm)	579.5*450*185mm
Weight	10Kg
Kettle Capacity	10L
Spray Nozzle	
Material	304/316L Stainless Steel
Nozzle Outlet	Φ1.5 mm
Water Pipe	
Material	PU
Explosion-Proof Water Pump	
Power Supply	DC24V
Power Consumption	24W
Lift Head	10m

#### Dimension: mm
